Clients receive the rate in effect on either the application sign date or issue date, whichever is better, as long as the corporate office receives the money within 60 calendar days from the application signed date. After 60 days, the rate protection rules no longer apply and clients receive the rate in effect on the date the policy is funded.

¹ It is the responsibility of your financial advisor to ensure you are receiving the most current rate sheet from RiverSource Life Insurance Company and RiverSource Life Insurance Co. of New York.

² GMIRs for future RiverSource Life Insurance Company and RiverSource Life Insurance Co. of New York annuity contracts issued may vary in accordance with state law.

³ The base rate guarantee period is subject to change for new sales. Check with your financial advisor to understand the base rate guarantee period that would apply to your contract. Confirm your guarantee period on the Contract Data page of your fixed annuity contract, which is the contractual guarantee you have with the insurance company.

⁴ This bonus interest rate initially enhances the value of your contract. In return for the bonus interest rate on this annuity, the base rate is lower than it would have been had the additional rate not been applied.
