¹ It is the responsibility of your financial professional to ensure you are receiving the most current rate sheet from RiverSource Life Insurance Company.

² GMIRs for future RiverSource Life annuity contracts may vary in accordance with state law.

³ MBG = Money-Back Guarantee. Withdrawal charges will not affect the principal amount upon full withdrawal.

⁴ You can choose from 1-, 3- and 5-year payment guarantee periods. The base rate applied to each payment we receive is guaranteed to remain the same for the duration of the guarantee period you select when you open your annuity. After the guarantee period, the interest will accrue on the contract value at rates determined annually at the discretion of RiverSource Life Insurance Company. These rates will be based on various factors including, but not limited to, the interest rate environment, returns earned on investments backing these annuities, the rate currently in effect for new and existing company annuities, product design, competition, and the company's revenues and expenses.

⁵ Surrenders that do not qualify for a waiver may be subject to a surrender charge. Surrenders are subject to income taxes and surrenders before age 59½ may incur an IRS 10% early withdrawal penalty.
